LETTER OF RECORD

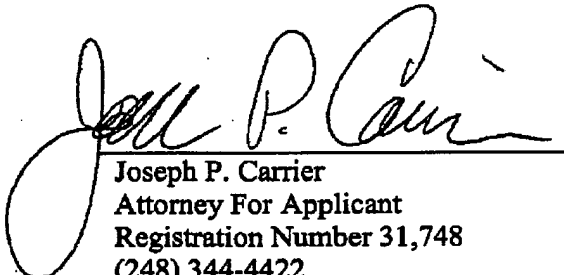

Commissioner For Patents  
PO Box 1450  
Alexandria, VA 22313-1450

Sir:

In connection with the above-referenced application, pursuant to MPEP § 2001.06(b), applicant respectfully submits that in the Information Disclosure Statement filed 13 September 2006, one of the applications noted to be related was incorrectly typed and instead duplicated the above application serial number. The correct US patent application numbers for the related applications are 10/529,104 and patent application 10/529,300, both commonly owned by Honda Giken Kogyo Kabushiki Kaisha. Enclosed is a copy of the IDS as filed on 13 September 2006 highlighting the error. Applicant respectfully submits that the present application is directed to subject matter which is patentably distinct from the subject matter claimed in the related application.

Respectfully Submitted,

**DUPLICATE COPY**

Sir:

10/529,300  
Pursuant to 37 CFR §1.56, §1.97, §1.98, and MPEP §609, applicant encloses a copy of the references listed on the attached form PTO/SB/08A for consideration by the Examiner. The references are discussed/cited in the enclosed Japanese Office Actions (2), with an English translation of the pertinent portions. Both Office Actions are from Japanese patent applications which correspond to two other US patent applications, ~~10/529,300~~ and 10/529,104) which may be considered related to the present application, and both of the Japanese Office Actions were mailed on 08 August 2006.

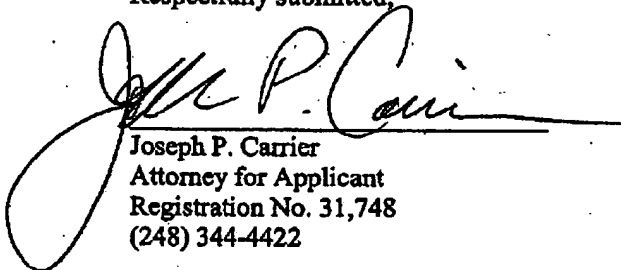

Each item of information contained in the information disclosure statement was first cited in any communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of the information disclosure statement. 37 CFR 1.97(e)(1).

The listed references are being cited only in the interests of candor and without any admission that they constitute statutory prior art or contain matter which anticipates the present invention or which would render the same obvious, either singly or in combination, to a person of ordinary skill in the art.

Favorable consideration is respectfully requested.

Respectfully submitted,
